

Providing Foot Health Care for Portchester and surrounding areas

Sheridan Foot Health

Give foot problems the boot

Do you think you have a fungal nail infection?

Sheridan Foot Health is now offering Diagnostic Laboratory Testing to confirm whether you have a fungal nail.

The solution for fungal nail infections is ***Clearanail***.

Clearanail is a revolutionary device which produces micro holes through the nail plate without injuring the nail bed beneath. It is computer controlled, completely safe and virtually painless. The 0.4 mm holes then allow the Lamisil Spray to reach the infection with progress seen within 4 weeks.

Do you have:

Skin tags? Moles? Thread Veins? Warts? Blood spots?

Common Mole

Blood Spots

Thread Veins

Plane Wart

Skin Tags

sebaceous warts

Diane Sheridan is now offering **cosmetic removal services**.
